Text

Calculus, Early Transcendentals (Fifth Edition) by James Stewart.

Calculators

Calculators are a useful auxiliary tool for the course. However, it will be expected that all work is present on homework and exams. (That is, don't try to use your calculator to differentiate or integrate.)

Exams and grading

- Exam 1 (25%) Tue October 18, time and location TBA
- Exam 2 (25%) Wed November 16, time and location TBA
- Final exam (25%) TBA

Homework (25%)

Homework is due each Wednesday (starting Sept. 14) at the beginning of class.

I will not accept late homework and will count your best 10 papers.

Grading Scale

All scores will be scaled to a 0–100 scale before averaging. The final grading scale is:

A:	90% – 100%	C:	70% – 73%
A-:	87% – 90%	C-:	67% – 70%
B+:	83% – 87%	D+:	63% – 67%
B:	80% – 83%	D:	60% – 63%
B-:	77% – 80%	F:	0% – 60%
C+	73% – 77%
